Advertising Opportunities

Cheffington

No Bad Reviews.
Only Great Advertising.

Cheffington loves all businesses, especially those that are community-minded. Connect your business with high-intent customers actively searching for the real dish on dining right in your area!

Cheffington

Why Advertise With Cheffington?

Unlike traditional website advertising, every Cheffington visitor arrives searching for something no other review website can offer–culinary insight from the masters of the industry. And that makes us a valuable go-to for everyone who…eats.

Plus, Cheffington visitors are discerning diners who enjoy the finer things in life (aka disposable income)–and what business doesn't love that demographic?

With Cheffington advertising, your business appears exactly where customers dine, live, visit, and, most importantly, make their decisions.

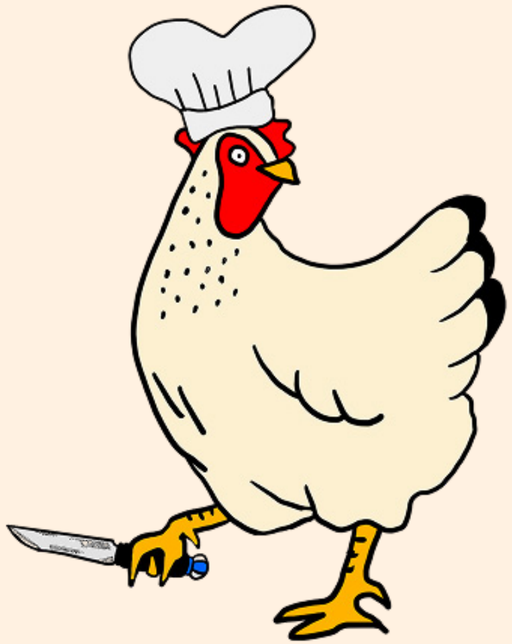

As part of our launch, Cheffington is offering premium advertising for as little as $3 a day so all local businesses and restaurants can get in on the ground floor as we continue to grow. Advertise with us today, and lock in your low rate for up to 365 days now!

- High-intent local visitors
- Premium placements
- Live performance reporting
- Flexible daily or month-to-month plans
- Creative assistance from our in-house marketing team

Let’s Chop up the ROI Comps

Everyone knows advertising is essential to growing your business. But what would it take to to justify a local Cheffington ad? The answer: not much.

Average cost of a two-person meal in California:
$80-100

Advertising investment:
Sponsored Search Result–$15/day

Only three additional 2-tops per month turns your ad into extra greens.

Average cost of an oil change in California:
$80

Advertising investment:
Chef Sidebar–$5 per day

Three more oil change clients per month from our ads turns your ad into liquid gold.

Average cost of plumbing repair in California:
$400

Advertising investment:
Homepage Featured–$15 per day

Two additional jobs per month from our ads is all it takes to plumb a massive profit.

Nevada City impressed me on all of those fronts.

There is a real sense of intention behind the food. The dishes are thoughtfully composed without becoming overly complicated, allowing the quality of the ingredients to remain the focus. Flavors are layered and well balanced, with careful attention to acidity, seasoning, texture, and presentation. It's the kind of cooking that demonstrates restraint and confidence rather than relying on unnecessary embellishment.

What stood out to me most was the consistency of the execution. Good ingredients are only part of the equation; technique and attention to detail are what ultimately make a dish memorable. Dakan demonstrates a clear understanding of that distinction.

Dakan is a restaurant I would be happy to recommend to fellow chefs, industry professionals, and anyone who appreciates thoughtful cooking. Nevada City is fortunate to have a restaurant putting this level of care into the craft.

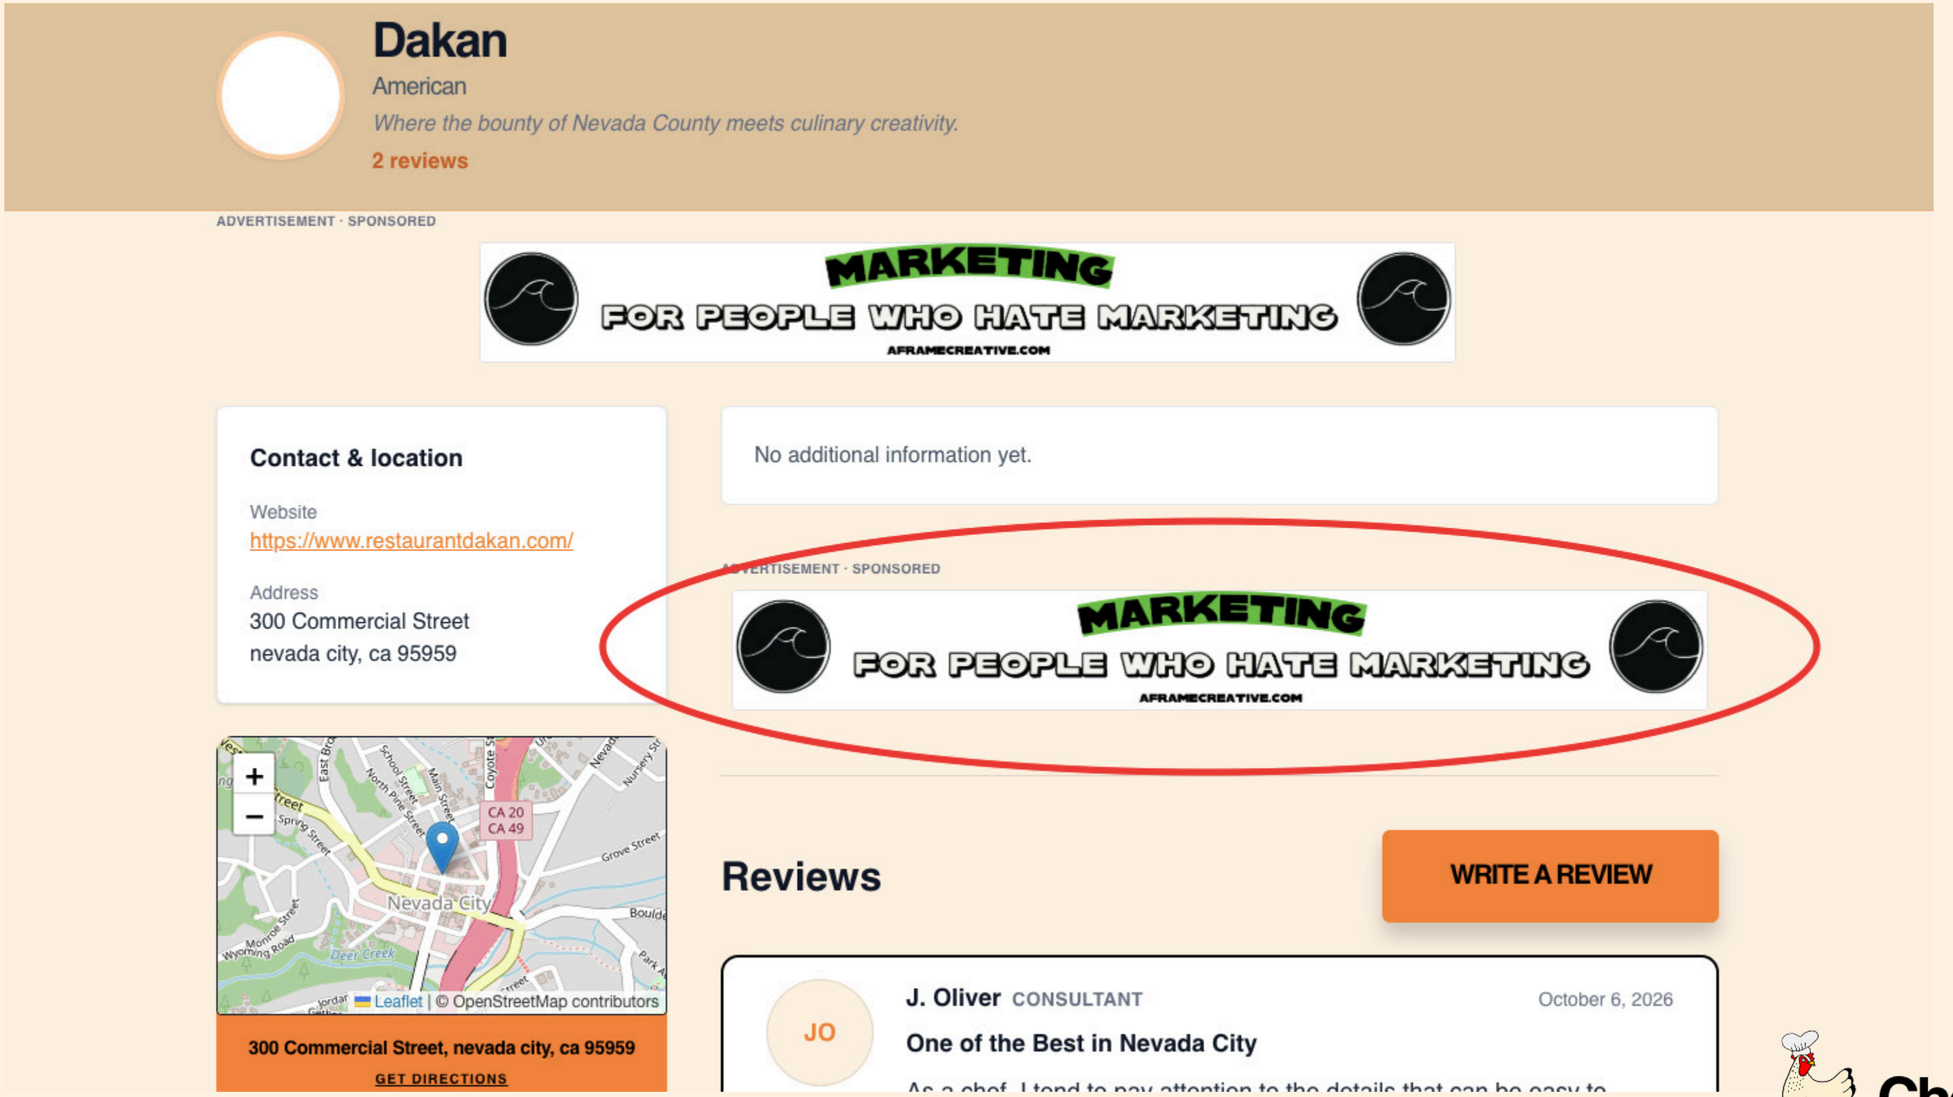

JJ Hart CONSULTANT August 31, 2026

Stanbury

One of the most impressive things about Dakan is how disciplined the kitchen is with richness and texture. A lot of ambitious small-town "chef-driven" restaurants overwork dishes trying to prove themselves. Dakan doesn't. The tartare is finely cut and insanely fresh tasting. The oversized ravioli has become a signature for a reason — delicate pasta,
